

CALL FOR ABSTRACTS

The 22nd COTA International Conference of Transportation Professionals
(CICTP 2022)

July 8-11, 2022, in Changsha, China
<http://www.cota-home.org/cictp/CICTP2022.html>
Jointly organized by

Central South University and Chinese Overseas Transportation Association

The CICTP 2022, to be held on July 8-11, 2022, in Changsha, China, is jointly organized by Central South University and COTA. As the hosts and organizers of CICTP 2022, Central South University and COTA are pleased to invite submissions of papers presenting original research and innovative practice in the field of transportation.

CICTP 2022 will focus on Intelligent, Green, and Connected transportation, and address challenges and opportunities related to 1) the development and deployment of new technologies, 2) new transportation reality in a world after the COVID-19 pandemic, and 3) green and sustainable mobility.

The conference will host a series of technical sessions, plenary sessions, and special forums, including the World Bank Forum, the Dean's Forum, and COTA Career Development Forum for Young Scholars and Students and Transportation Studies Forum for International Students in China.

The best-paper awards will be granted to authors of meritorious paper judged by an award committee constituted by world-renowned experts. Professional awards will also be presented to individuals who have made outstanding contributions to the development of transportation systems in China during the conference.

We welcome original contributions in all fields of transportation, and particularly the following:

- Advanced Transportation Information and Control Engineering
- Impact of COVID-19 on Travel Behavior and Transportation Systems
- Transportation Infrastructure Engineering
- Vehicle Operation Engineering and Management
- Transportation Planning and Policy
- Transportation Behavior and Safety
- Sustainable Transportation Systems and Modern Logistics
