Postdoc Position @ UCLA Mobility Lab

Dr. Jiaqi Ma of the Department of Civil and Environmental Engineering (CEE) at the University of California, Los Angeles (UCLA) is looking for a postdoc researcher to join his lab. The candidate is expected to start immediately in the summer of 2021, but no later than the end of 2021. The candidate will work on the following areas: urban analytics, traffic prediction, decision support for traffic management and evacuation planning, active traffic management, modeling/simulation of large-scale transportation systems.

Candidates with backgrounds in artificial intelligence, data science, and transportation engineering are encouraged to contact Dr. Ma directly at jiaqima@ucla.edu. Strong computer programming skills (e.g., C++, Java, Python, with provable large project-level experiences) are required.
